

# WILSON COUNTY SUBSTANCE PREVENTION COALITION

Official Newsletter | Volume 4 Issue 5 | September 2025

## WCSPC HISTORY

*The Wilson County Substance Prevention Coalition was established in April 2007. The coalition is organized for the charitable purpose of reducing substance misuse by addressing factors in the community that increases the risk of substance misuse and promoting the factors that minimize that risk.*

*Recovery Concepts Community Center (RC3) is a community recovery center and an initiative of The Wilson County Substance Prevention Coalition, created in 2017. This community center is for those working to sustain and maintain their recovery from substance use disorders can visit the center to take part in educational opportunities, group meetings, social events, or just to hang out in a place that is recovery informed, friendly, and healthy.*

## IN THE COMMUNITY

On August 28<sup>th</sup> the Opioid Multidisciplinary Team (OMDT) held its annual International Overdose Awareness Day Event at the Wilson County Courthouse. It was a night of remembering those we have lost as well as celebrating those who are now in recovery. We're grateful for those that shared their stories! We were also able to hand give out 60 medication/alcohol locking items that are now being used in the community!

# PARTNER PORTION

The first Flynn Christian Fellowship Home opened in North Carolina in 1962 with a goal of helping those struggling with alcoholism. 7 years later we would see the organizations 4th home open right here in our own Wilson, North Carolina. Since then the Flynn Christian Fellowship Home has worked hard to help others dealing with addiction to find a different way of life. Working through the steps of AA and getting involved in the community through volunteer work and finding a job to become a contributing member of society has helped many to change. We offer the ability to live in a structured environment with others who are like minded and working on sobriety. This has helped many to overcome the debilitating nature of addiction. Through the commitment to the program and the wonderful local support, and generous donations regularly from a very involved community, this process of helping others has been assisted in its longevity and been given the ability to positively impact lives. This program with the community and its support have turned lives around, reconnected families, healed hurt and most importantly saved lives.

Second chances seem different here. There is a little more sunshine and smile when others say "Hi". Through a reputation we hope to maintain long into the future, the Flynn Christian Fellowship Home does its best to project Christ to others in the form of hope. There are people around you every day that just needed a second chance but you'd never know it. If we do this correctly and encourage others in their walk, then it won't be something you see, it will be something you feel.

We get to see others realize more and more each day their potential and cement themselves in to this community through the contagious action of good choices and then through opportunity and grace, our wonderful community becomes stronger and woven together more tightly with the adhesive of admonishing each other to good... and let's be honest, now a days you don't just get that everywhere.

So if you or a loved one is dealing with alcoholism or addiction in some form call us at the Flynn Christian Fellowship Home of Wilson, NC and let's see if we can get you a hand up, not a hand out.

Flynn Home Director, Earl Reaves, posing for our 2025 Recovery Ally Campaign.
